Saudi Arabia

SUMMARY

As a Computer Science graduate, I gained hands-on experience in UI design, web development, and system integration. I strengthened my expertise in database management, computer networks, and cybersecurity, supported by certifications in Microsoft Office Specialist, Web Development & NLP, and HTML. Additionally, I hold membership as a Computer Science Specialist in Digital Governance and Data Development. My goal is to leverage my technical expertise and academic foundation to contribute to innovative projects, enhance organizational efficiency.

EXPERIENCE

Smart Methods Company | Saudi Arabia

Summer Intern | June 2024 - August 2024

- Participated in UI design and website development for smart robotics platforms.
- Developed user interfaces and integrated them with robotic systems.
- Applied academic knowledge to real-world projects within a collaborative team environment.

EDUCATION

King Khalid University | Saudi Arabia

Bachelor's Degree in Computer Science | GPA 4.30 /5 with Honors | 2025

- Strengthened skills in database design, management, and query optimization.
- Applied principles of computer networks, operating systems, and cybersecurity.
- Enhanced problem-solving and logical reasoning through real-world projects.

OTHER

● Courses and Certifications:

- Microsoft Office Specialist (MOS) | 30-Hour Training Program | King Khalid University | June 2025 - July 2025.
- Web Development & Natural Language Processing Training | June 2024 - August 2024.
- HTML Basics Certificate | Ministry of Communications and Information Technology (MCIT) | April 2024.

● Memberships:

- Member | Computer Science Specialist | Digital Governance and Data Development | August 2025.

● Hard Skills:

- Programming Languages.
- Software Development Life Cycle.
- Operating Systems & Computer Networks.
- Cybersecurity Fundamentals.
- Version Control.
- Data Analysis & Visualization.
- Microsoft Office Suite.

● Soft Skills:

- Problem-Solving.
- Critical Thinking.
- Multitasking.
- Effective Communication.
- Time Management.
- Collaboration & Teamwork.
- Flexibility & Adaptability.

● Languages: Arabic (Native), English (Fluent).
