PROFESSIONAL SUMMARY

Innovator of Nano Blood Bags - Nano Technology.

I have more than 7 years of experience managing transformational projects within the VRO- Ministry of Health. I am also passionate about supporting & training new leaders on how to reach their entrepreneurship goals and transfer the knowledge of my innovation journey.

EXPERIENCE

Senior Projects Manager - Accreditation & Policy Department

2025-Present

General Directorate of Quality & Patient Safety - MOH

Transformation Senior Projects Manager - Transformation Assurance Unit of the VRO-MoH 2021- 2025

- Transformation and Change Management Manager: Led Day-One Project as spokesperson and conducted 100+ workshops to facilitate the transfer of health clusters from Ministry oversight to the Health Holding Company.

- Manage the Health Total Impact Measurement & Management (HTIMM) Project

- Led the alignment of the Health Transformation Impact Measurement Model (HTIMM) framework with Vision 2030 objectives, linking the health transformation strategy to key national indicators such as increased life expectancy and Gross Domestic Product (GDP).
- Oversaw the development and implementation of the HTIMM framework to analyze and measure the contribution of health initiatives toward the national goal of increasing life expectancy at birth in the Kingdom.
- Managed impact assessment analyses for healthcare programs and assets, translating findings into tangible data to demonstrate progress toward achieving Vision 2030 targets.

Project Manager- Health Co.

2017- 2021

National Mental Health Strategy& National Social Health Care Strategy

- Identify the project Stakeholders and create stakeholder analysis.
- Develop and Execute the Project Communication Plan.
- Design & Build the National Social Health Care Strategy.
- Perform quality assurance on the project deliverables.
- Create project status report and report it to the leaderships.
- Provide support when needed.
- Prepare assessment reports and build gap analysis.
- Develop KPIs Dashboard and monitor them against the progress.
